

OCTOBER 2022

Employee Benefits

What's new?

Privilege Ridacard

Lothian colleagues can now benefit from buying a Privilege Ridacard for one person at a heavily discounted price of £60 which gives unlimited travel across Lothian's network for 12 months.

Colleagues can now purchase a Privilege Ridacard for a family member or friend of their choice, meaning there is no longer a requirement for the individual to live in the same household.

Colleagues can apply by downloading a form from the Ops Hub, myLothian or by picking up a form from their main workplace. More information on the changes can be found on the Ops Hub.

Free coffee: Canteen Hot Drinks Loyalty Card

Colleagues can also benefit from a new loyalty scheme in our canteens, to enjoy a free hot drink on us.

Beginning on Monday 31 October, colleagues who buy a hot drink will be given a loyalty card by our catering team. After your 7th purchase of a hot drink, you will get your 8th hot drink on us!

Helpful Information

Cashback

myLothian

myLothian allows all colleagues across the group the chance to enjoy great discounts and earn cashback on everyday purchases.

- Save on your weekly shop with offers from some of your favourite supermarkets
- Access exclusive discounts from some of the biggest fashion brands on the high street and online
- Dine out at top restaurant chains for less
- Enjoy family days out with special discounted ticket offers at cinemas and attractions

If you haven't already taken advantage of these great offers, simply register at www.my-lothian.co.uk using your payroll number and date of birth and begin saving today!

Money Matters

Credit Union

Capital Credit Union offer all colleagues advice and support on any financial matters.

Members can save, borrow, use online banking – even take out their mortgage with them. However, unlike banks, they're not-for-profit. That means they're completely owned by members, with no external shareholders.

They build wealth rather than debt because members can save a minimum of £15 a month, and any profits go right back into the credit union. Please visit www.capitalcreditunion.com or you can call them on 0131 225 9901 or email them at contactus@capitalcreditunion.com

Wellbeing Support

Crisis Counselling Services

Colleagues can access counselling from Crisis, who offer professional, confidential one-to-one support, either at one of their centres or your workplace. They have experts who can advise on financial difficulties, should they arise. You can see their leaflet on the Ops Hub.

Wellbeing Volunteers

Remember our Wellbeing Volunteers are available to offer colleagues a safe place to speak and voice any concerns they are having.

The volunteers, made up of Lothian colleagues from across the business are there to listen in confidence and without judgement. Some already have experience of helping others when they've found themselves in a difficult situation or struggled with their mental wellbeing. Our volunteers can signpost you to further help if you feel you need it, including places to get financial advice.

To find a list of our wellbeing volunteers and their contact details, visit the Ops Hub.
